65 Gallon Container: \$18.50 per month
Approx. holds six 13 gal. trash bags – weekly

Every other week pick up

Weekly pick up

Address: _____

Signature: _____

ATTENTION CITY OF SOLON RESIDENTS

One roll out waste container will now be provided to each City of Solon residence. Collection containers can be easily rolled, have an attached lid and will allow for more efficient waste collection.

They will be available in 2 sizes: 65 gallon and 35 gallon. Implementation of new program is July 1st.

You have the choice of what size best suits your disposal needs. The 65 gallon will be for weekly pick up and the 35 gallon will be for every other pick up. In choosing cart size, residents must fit all trash inside the container with the lid closed or the city has the right to refuse pick-up. Therefore, please consider your heavier garbage weeks (ie. Christmas, Thanksgiving, parties, etc.) when selecting your cart. The monthly fee will be added to your monthly water bill.

Recycling: A 95 gallon container will also be provided (yellow lid) and be picked up weekly regardless if you choose the 35 gallon every other week pick up or 65 gallon weekly pickup.

If you do not sign up, the city default size is a 65 gallon container at \$18.50 per month and added to the monthly water bill. Return the postcard by May 1, 2018 for container size preference.

Call City Hall at 319-624-3755 with questions. Thank you.

Let City of Solon know your preference by May 7th in one of these easy ways:

1. Indicate your container size preference on the attached card and return to City Hall at 101 N. Iowa St.
2. Drop the postcard in one of the water bill drop boxes:
 - ✓ Drive through drop box in the alley between City Hall and the Fire Station
 - ✓ Drive through drop box by the ATM drive up at Bridge Bank
 - ✓ Dropbox inside of Sam's Main Street Market

Important! Include your address and signature.
