## CONSTRUCTION NOTICE

---

**PROJECT NAME:** *Fox Ridge Storm Sewer Improvements*

**PROJECT DURATION:** *Now through June 15, 2021*

Rathje Construction Company has been contracted by the City of Solon for a \$435,000 project to repair Storm Sewer capacity within your neighborhood. This project consists of adding storm sewer piping, re-routing of water main and water service lines, re-routing of gas main and service lines, storm sewer manholes and work on storm sewer intakes.

The work will take place south of 713-714 Bergamot Lane to the intersection of Wood Lily Road, and then north of 902 Wood Lily Road to the intersection of Bergamot Lane.

**WHAT TO EXPECT:** *Road closures are to be expected at times. The contractor will stage this so there is always access to your homes, either from Bergamot Lane or Wood Lily Road. A construction schedule from the contractor will be posted on [www.solon-iowa.com](http://www.solon-iowa.com) when available.*

*During this time, you will hear noises from equipment, trucks, and tools. Please be cautious of the work area and keep children away from the construction zone.*

*Water may also be turned off for a period during the workday. These expected shutdowns will be communicated in advance for those who may be affected.*

*Staking of the area has been completed. Please do not pull the lathe or the Iowa One Call Locate flags.*

*If you have questions or problems during the construction process, call Scott Kleppe at (319) 631-5071 or email at [scott.kleppe@solon-iowa.com](mailto:scott.kleppe@solon-iowa.com)*

*Please also follow the City of Solon FACEBOOK® page and/or [www.solon-iowa.com](http://www.solon-iowa.com)*
